OVERVIEW

This resource guide includes child and family behavioral health state & local resources with service descriptions and contact information for the counties included in the Aligning Community Systems for Resilience Initiative coalition. This document is meant to serve, inform & assist regional coalition's partners, community members & local stakeholders.

This resource guide has been co-produced by Resilient Georgia & Aligning Community Systems for Resilience Initiative.

RESILIENT GEORGIA

Aligning public and private efforts and resources across the state that support resiliency for all persons aged 0-26 and their families.

Aligning Community Systems for Resilience Initiative (ACSRI)

The Aligning Community Systems for Resilience Initiative (ACSRI) is a multi-dimensional strategy designed to engage all sectors of the Clayton County community in the development of a trauma responsive community ecosystem.

Community Health Solutions (CHS)
